

# THE UNITED STATES OF AMERICA

Let's take a brief look into the history and culture of The United States of America. Can you guess what their iconic foods are?

The Mesa Verde Cliff Dwellings built by the Ancestral Puebloan peoples of Colorado date back 700–1500 years, and feature over 600 structures.

## USA BIO

NAME: United States of America (USA)

LOCATION: North America

CAPITAL: Washington D.C.

SIZE: 9,833,517 km<sup>2</sup>

POPULATION: 323,995,528

## THE PRE-COLUMBIAN AMERICA

This era is the time before Christopher Columbus went to America in 1492. At that time, Native Americans lived on the land that is now the United States. The Eastern tribes hunted, the Northwest fished, the Southwest grew corn, and the Native Americans in the Great Plains hunted buffalo.

## THE AMERICAN PEOPLE OF TODAY

The people of the United States are very diverse, coming from many different cultures and backgrounds. The American people are dedicated to the pursuit of happiness and personal freedoms. Just like here in Australia, kids go to school from the age of 5 to 18, then go on to study at a college or university.

## MUSIC

Music is everywhere in the United States! Many popular forms of music originated in America. One special kind of music that is typically American is called Jazz.

## LOCATION

The USA is a vast country and is in fact the world's third largest, made up of 50 states. Home to many famous cities such as Los Angeles, Las Vegas and New York.

## ICONIC FOODS

America's cuisine is rich and diverse, with some styles of food spreading all over the world, while other can only be found in their little corner of the globe. Much of the food in America is influenced by other cultures, but it all takes on a uniquely American style.

S'mores

Hamburger

Key Lime Pie

Corn Dog

## ANIMALS FROM AMERICA

Bald Eagle

Prairie Dog

Bison
