

ONLINE or OFFLINE?

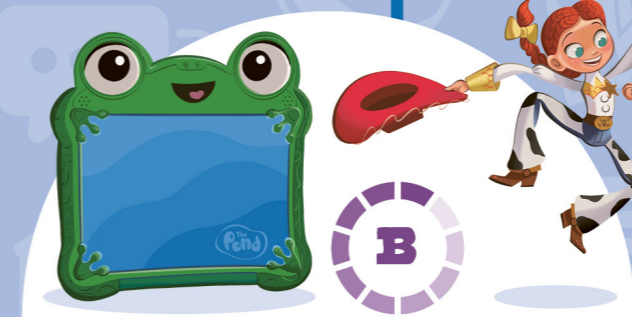

BONNIE loves playing with **JESSIE**, **BUZZ**, **WOODY**, and the other toys, but she also enjoys playing with **LILYPAD**. How about you? Do you like being **ONLINE** or **OFFLINE**? **CHOOSE** the answers that best represent you. Then **READ** your **CHOSEN** profile.

A

100% ONLINE

You are amazed by **TECHNOLOGY**. You love playing **VIDEO GAMES**, chatting with your friends **ONLINE**, and **SENDING** them funny **MESSAGES**. Tech is great, but communicating and playing in person can also help you **DISCOVER** the world and all its wonders.

B

**50% ONLINE
50% OFFLINE**

You like **TECHNOLOGY**, but you also love **INTERACTING** with **REAL PEOPLE**, reading **PAPER BOOKS**, and playing with your **TOYS**. A **BALANCE** between online and offline time is always a great path.

C

100% OFFLINE

You don't use tech much and prefer **REAL PEOPLE, TOYS**, and **ACTIVE GAMES** you can play with your friends. Technology can be **USEFUL** too, especially if you want to chat with faraway friends or try some apps where you might **LEARN** something interesting.
